

Omoyeni Oluwadurotimi Oreoluwa

Frontend Developer

✉ oreomoyeni01@gmail.com ☎ 08140683316 📍 lagos, Nigeria

PROFILE

I am a developer with a strong foundation in modern web technologies and a passion for building responsive, user-friendly interfaces. Skilled in translating design concepts into functional applications using contemporary frontend tools and frameworks. I am a collaborative team player who works effectively with designers, backend developers, and stakeholders to deliver high-quality solutions. i am well known for strong problem-solving skills, attention to detail, and the ability to adapt quickly in fast-paced development environments.

PROFESSIONAL EXPERIENCE

Frontend Developer

Paenote-Global Payment for Global Businesses

10/2024 – 12/2025

Lagos, Nigeria

I developed and maintained responsive user interfaces for a fintech dashboard, translating design requirements into functional web components. Collaborated with backend developers and designers to implement features, troubleshoot issues, and improve user experience. I also built the onboarding website introducing clients to the company.

Frontend Developer (Freelance)

Self Employed | Remote

01/2026

Lagos Nigeria

I have developed responsive web interfaces using React, Next.js, and TypeScript and collaborated with clients to translate design requirements into functional web applications.
